

LUMEN SOLAR

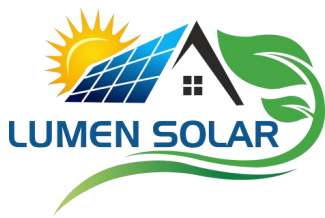

ENTERPRISES

INTRODUCTION

Lumen Solar Enterprises is a trusted name in the solar energy industry, serving Nagpur and surrounding regions for the past seven years. As a leading provider of sustainable energy solutions, we specialize in solar panel installations, solar power systems, and energy-efficient solutions for residential, commercial, and industrial sectors.

Our commitment to innovation, quality, and customer satisfaction has made us a preferred choice for those looking to harness the power of the sun. With a team of skilled professionals and advanced technology, we design and deliver customized solar solutions that help reduce electricity costs and promote a greener future.

At Lumen Solar Enterprises, we believe in making solar energy affordable, efficient, and accessible to all. Join us in our mission to create a sustainable tomorrow with renewable energy solutions that power homes and businesses while protecting the environment.

HI THERE!

At Lumen Solar Enterprises, we are committed to bringing sustainable and cost-effective solar energy solutions to homes and businesses. With seven years of expertise in the solar industry, we specialize in Rooftop Solar and Off-Grid Solar Solutions, helping our customers achieve energy independence while reducing their electricity costs.

Our mission is to harness the power of the sun to create a greener, cleaner, and more energy-efficient future. Whether you are looking for a residential rooftop system or a custom off-grid solution, our expert team ensures high-quality installations and seamless service.

Join us in embracing renewable energy and making a positive impact on the environment. With Lumen Solar Enterprises, let's power a brighter tomorrow, together!

ABOUT COMPANY

Lumen Solar Enterprises is a trusted name in the solar energy industry, delivering high-quality Rooftop Solar and Off-Grid Solar Solutions for the past seven years in Nagpur. With a strong commitment to sustainability and innovation, we help residential, commercial, and industrial clients transition to clean, renewable energy while reducing their electricity costs. Our expertise lies in designing and installing efficient and reliable solar power systems tailored to individual energy needs. Whether it's a rooftop solar system for homes and businesses or an off-grid solution for remote areas, we ensure seamless integration with advanced technology and professional service.

At Lumen Solar Enterprises, we are dedicated to empowering a greener future by making solar energy more accessible, affordable, and efficient. Partner with us and take a step towards energy independence and a sustainable tomorrow!

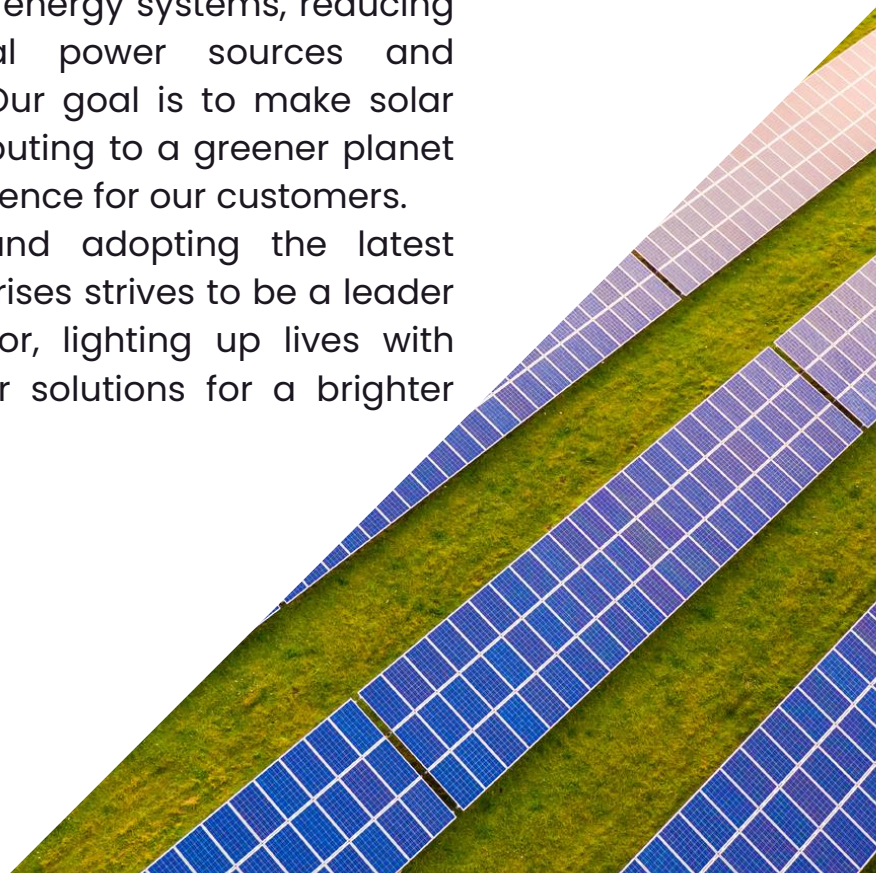

OUR VISION

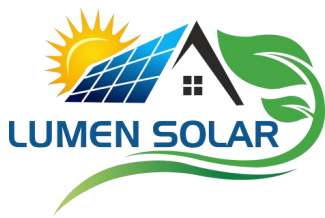

VISION

At Lumen Solar Enterprises, our vision is to revolutionize energy consumption by making clean, renewable solar power the primary source of energy for homes, businesses, and industries. With seven years of expertise in the solar industry in Nagpur, we are committed to driving a sustainable future through Rooftop Solar and Off-Grid Solar Solutions.

We aim to empower communities with cost-effective, efficient, and eco-friendly solar energy systems, reducing dependence on conventional power sources and minimizing carbon footprints. Our goal is to make solar energy accessible to all, contributing to a greener planet while ensuring energy independence for our customers.

By continuously innovating and adopting the latest technology, Lumen Solar Enterprises strives to be a leader in the renewable energy sector, lighting up lives with sustainable and reliable power solutions for a brighter tomorrow.

OUR MISSION

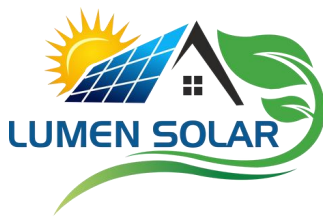

MISSION

At Lumen Solar Enterprises, our mission is to empower individuals and businesses with sustainable, efficient, and affordable solar energy solutions. With seven years of experience in the solar industry in Nagpur, we are dedicated to providing high-quality Rooftop Solar and Off-Grid Solar Solutions that help reduce electricity costs and promote environmental responsibility.

We strive to:

- ✓ Deliver reliable and customized solar power solutions tailored to our customers' needs.
- ✓ Promote energy independence by making solar power accessible to residential, commercial, and industrial sectors.
- ✓ Utilize cutting-edge technology and innovation to enhance the efficiency and longevity of our solar systems.
- ✓ Contribute to a greener planet by reducing carbon footprints and advocating for clean energy adoption.
- ✓ Ensure excellent customer service with expert guidance, seamless installation, and ongoing support.

Our goal is to drive the solar energy revolution, helping our customers transition to renewable power and build a brighter, more sustainable future for generations to come.

OUR SERVICE

ROOF-TOP SOLAR

At Lumen Solar Enterprises, we specialize in providing high-quality Rooftop Solar Solutions designed to meet the energy needs of homes, businesses, and industries. With seven years of expertise in the solar industry, we are committed to delivering sustainable, cost-effective, and efficient solar power systems in Nagpur and beyond.

Our Rooftop Solar Services offer:

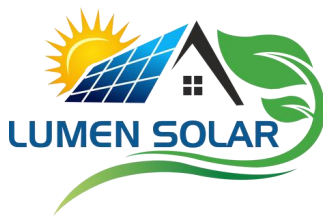

- ✓ Customized solar solutions tailored to your energy consumption.
- ✓ Seamless installation with advanced technology and expert guidance.
- ✓ Significant cost savings by reducing electricity bills.
- ✓ Eco-friendly energy solutions that promote sustainability.
- ✓ Long-term reliability and maintenance support for optimal performance.

OFF-GRID SOLAR

At Lumen Solar Enterprises, we provide advanced Off-Grid Solar Solutions designed for locations where access to conventional electricity is limited or unreliable. With seven years of expertise in the solar industry, we help homes, businesses, and remote areas achieve energy independence through sustainable and self-sufficient power systems.

Our Off-Grid Solar Services offer:

- ✓ Customized solar power solutions tailored to meet your energy needs.
- ✓ High-efficiency battery storage systems for uninterrupted power supply.
- ✓ Reliable and cost-effective energy for remote locations and rural areas.
- ✓ Eco-friendly solutions that reduce reliance on fossil fuels.
- ✓ Expert installation and ongoing support for long-term performance.

OUR OTHER SERVICE

SOLAR WATER HEATER

we offer high-quality Solar Water Heaters designed to provide an eco-friendly, cost-effective, and energy-efficient hot water solution for homes, businesses, and industries. With seven years of experience in the solar industry, we are committed to helping you reduce electricity consumption while enjoying a reliable hot water supply.

Our Solar Water Heater Solutions offer:

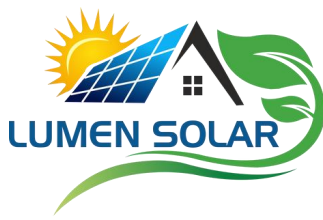

- ✓ Energy-efficient heating using solar power, reducing electricity bills.
- ✓ Durable and high-performance systems for long-term reliability.
- ✓ Environmentally friendly solutions with zero carbon emissions.
- ✓ Customized options for residential, commercial, and industrial use.
- ✓ Expert installation and maintenance support for seamless performance

SOLAR LAMPS

high-quality Solar Lamps designed to offer a sustainable, cost-effective, and reliable lighting solution for homes, businesses, and outdoor spaces. With seven years of experience in the solar industry, we are committed to making clean and renewable energy accessible to everyone, even in remote areas without electricity.

Our Solar Lamp Solutions offer:

- ✓ Energy-efficient lighting powered by solar energy.
- ✓ Portable and durable designs for indoor and outdoor use.
- ✓ Cost-effective and eco-friendly solutions with zero electricity bills.
- ✓ Reliable illumination during power outages and in off-grid locations.
- ✓ Low maintenance and long-lasting performance with advanced solar technology.

MEET OUR TEAM

Nilesh Dakhole – Proprietor, I&C and Trading Head

Nilesh Dakhole is the Proprietor and Head of Installation, Commissioning (I&C), and Trading at Lumen Solar Enterprises, a trusted provider of solar energy solutions in Nagpur. With seven years of experience, he oversees the installation, commissioning, and maintenance of Rooftop Solar Systems, Off-Grid Solutions, Solar Water Heaters, and Solar Lamps, ensuring efficiency and reliability. As Trading Head, he manages the procurement and distribution of high-quality solar products, ensuring competitive pricing and customer satisfaction. His expertise and leadership drive Lumen Solar Enterprises toward innovation and sustainability, making solar power accessible, affordable, and efficient for all.

Upendra Bhisen – EPC Head

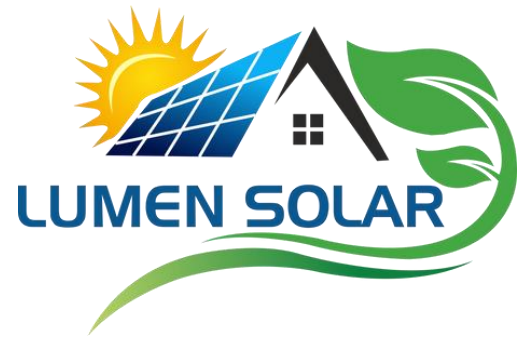

Upendra Bhisen is the EPC (Engineering, Procurement, and Construction) Head at Lumen Solar Enterprises, bringing expertise in solar project execution from design to completion. He is responsible for planning, engineering, and implementing Rooftop Solar Systems, Off-Grid Solutions, Solar Water Heaters, and Solar Lamps with precision and efficiency. Upendra oversees procurement, site assessment, installation, and quality control, ensuring seamless execution and compliance with industry standards. His technical expertise and leadership ensure that every project is optimized for performance, cost-effectiveness, and sustainability, driving Lumen Solar Enterprises toward excellence in the solar energy sector.

Ujwala Patil – Sales Head

Ujwala Patil is the Sales Head at Lumen Solar Enterprises, leading the company's sales and business development efforts in the solar energy sector. With a strong understanding of Rooftop Solar Systems, Off-Grid Solutions, Solar Water Heaters, and Solar Lamps, she drives customer engagement, market expansion, and revenue growth. Ujwala is responsible for developing sales strategies, building client relationships, and ensuring customer satisfaction by providing tailored solar solutions. Her expertise in solar product sales, market analysis, and customer service contributes to the company's success in delivering affordable, high-quality, and sustainable solar energy solutions to homes and businesses.
